It's fall again, and as is our custom, we are preparing for our next ALIVE celebration. For the past 9 years we have been throwing the best party for the homeless Pittsburgh has ever seen! To make this year's celebration the best ever, we will need your group's help. Last year we had over **250** volunteers and praise God for each of them! This year we will need that same amount to do this great work. If you like to pass out clothes, prepare food, play board games, sing worship, or pray with people, then we have a place for you! This year we are trying to be more organized than ever, so we are directing all interested volunteers to our website at www.livingministry.org. On the website you will find information on how to sign up, what volunteer responsibilities are, and what you can expect from the day. Also there are testimonials, videos, and our volunteer registration form that we need signed by each volunteer.

visit www.livingministry.org to sign up!
